

# IFORS2023 · STGO

July 10 to 14, 2023. Santiago, Chile

Advanced Analytics for a Better World

The 23rd Conference of the International Federation of Operational Research Societies

## THE VENUE TRAVEL

---

An official IFORS 2023 tour and a range of optional tours will be organized for those attending the conference, focused on the highlights that surround the city, each one designed to create a lasting memory. The details of these activities will be published soon.

the country, Chile offers a wide range of experiences and destinations for visitors, from the Atacama Desert to Patagonia, from the Lakes Region to Easter Island. We will soon announce a list of specially designed packages to Chile's top destinations exclusively for those attending IFORS 2023.

### PRIVATE TRAVEL

There are a number of one-day tours possible from Santiago during the conference, from themed tours of Santiago, winery visits, or a trip to the port city of Valparaíso. July happens to be the ideal month to visit Chile if you enjoy skiing. Several ski centers are found just outside the capital and tours can be arranged that include transportation and ski passes, and participants will be able to rent the equipment they need for the day. Additionally, for those wishing to extend their stay in

In the meantime, all private travel plans before, during, or after the conference can be handled by contacting our official travel partner.
